

Hohhot Boulevard Master Plan

Genghis Khan is one of the most famous emperor in china, and the great leader in the Mongolian people's hearts. The authorities of Hohhot planed to make the Genghis Khan boulevard a famous symbol of Inner Mongolia.

MVA was invited as part of the international consultant team, to advise on transport planning issues. EDAW (the lead consultant) carried out town planning study, landscape design, economic analysis and so on. MVA proposed various transport schemes according to the proposed master plan, and also comment on the road network from transport point of

view. This project got lots of support from local government and the local expert's.

The study tasks include:

- ▶ Understanding on existing land use and transport situation
- ▶ Review of current transport planning (highway)
- ▶ Road network and junctions
- ▶ Access options for core square
- ▶ Circulation schemes for core square
- ▶ Traffic management measures
- ▶ Public transport schemes (tram, corridors, depot, feeder bus)
- ▶ Pedestrian and cyclist facilities (corridors)
- ▶ Parking standard and locations
